Villa on the Mountain

The theme is "Luxe Coastal Plantations" and this Modern, Spacious and Beautifully Furnished Family Villa oozes all the vibes of lush greenery with splashes of bright colour. The ambience is fresh and invigorating.

The Villa is generous and a fabulous "find" if you are looking to accommodate an extended family or a group of friends. The 6 bedrooms and 5 bathrooms are comfortably spaced out to ensure privacy for more than one couple, and 3 living rooms mean everyone has enough breathing space, especially if you're coming on a bit of an extended holiday.

The view from this position on the mountain is just spectacular. As you move through the villa a vista of the town of Hermanus and the whole of Walker Bay catches your eye continually, it's surprising and quite breath taking. The mountain view on the north east side of the house...
