It's a Breeze

This beautifully refurbished house has been thoughtfully transformed into a light-filled, aesthetically pleasing, and modern space that's sure to make your stay memorable.

As you step inside, you'll be immediately struck by the elegant and airy ambiance. The owner's choice of a predominantly white colour scheme, adorned with natural materials and hints of refreshing greenery, creates a light and soothing atmosphere throughout the house; and the chic charcoal black accents give a stylish edge.

The living spaces seamlessly flow together thanks to a semi-open plan design, leading out to a spacious deck where you can enjoy al fresco meals at the charming cafe table. For those who love to barbecue/braai, the indoor braai room just off the dining area is a perfect spot to enjoy this famous South African culinary tradition.
